

## Primair Onderwijs 3X3 Basketball Scholentoernooi

Amsterdam, 15/04/2021

Dear teachers/parents/guardians,

In the light of getting kids more enthusiastic to go out and play the game of basketball, Amsterdam Warriors is organising the third edition of the Scholensport Zuid Oost toernooien. In this last edition we aim to get all of the schools in South East to participate. As this will be the last edition of the school year '20-'21.

### *Why these games?*

These tournaments are played in a 3x3 format. Together with the city of Amsterdam we strive to stimulate and create as much possible moments to stimulate movement through sports for our youth. With our activities we preach succes for our youngest in order for them to get hooked on the game we so love. This initiative is being organised by the local basketball club (Amsterdam Warriors) en the partner in 3x3 basketball (3x3Unites).

The third edition will be held in the Bijlmer Sportpark (Karspeldreef 501, 1102 BX Amsterdam), op zaterdag 01 Mei van 12:00 – 16:00.

Next to getting the kids moving we aim to get the kids familiar with our local activities. This is in the case of interest the kids know how to find us. Having fun and respresenting the game as is should be represented is where we stand for. By having fun and making this day as memorable as possible we intend to reach our goals.
